PARTICIPATORY BUDGET IN SCHOOL

Appendix 1: A hand-out

- Has the definition given in the video varied from what was your original idea of Participatory Budget? If so, what was different?
- What in particular helped the group to implement a Participatory Budget in their school?
- Do you think creating a Participatory Budget in schools makes sense? If so, what are the benefits of implementing it? If not, why not? What are the challenges?
- Imagine you are creating a Participatory Budget in your school. What are the difficulties you would face? What would be helpful? Who would you ask for help?
