### Example

Headline:

Green Deal

What should change:

The school playground is not a nice place for recess.

Who does it affect?

All pupils and all teachers

What could it look like instead?

There should be more green spaces and flowering shrubs and places where people enjoy spending time.

What needs to happen for this to happen:

Financial resources must be made available to green up the asphalted areas. The school community should be motivated to help and volunteer with work.
